

TIGER™

Silly Friends™

The funniest, cuddliest friends you've ever heard!

1. To insert batteries, remove the sound module from the Silly Friend. (See drawing A)

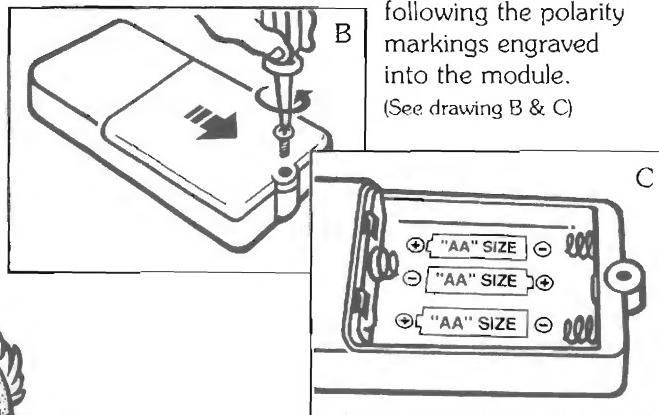

A

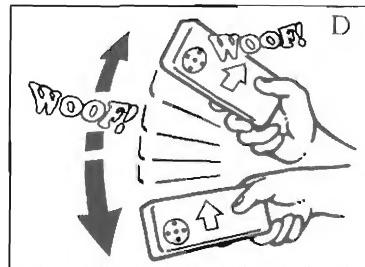

INSTRUCTIONS

Silly Friends operate with three "AA" batteries. Batteries should be inserted by an Adult. Alkaline batteries are recommended for longer life.

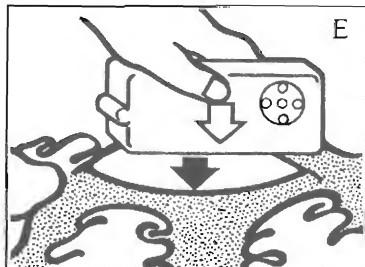

2. Use a Philips head screwdriver to loosen the screw on the battery door. Insert the three "AA" batteries,

3. Replace the battery door cover and tighten the screw on the battery door. Test the batteries by shaking the module up and down. You should hear the animal sound. (See drawing D)
